

Simbiat Ashabi Foundation

Helping Women Thrive

A Message from the Founder

WELCOME TO OUR 2025 PROGRAMME!

The start of a new year is always full of hope and excitement, and here at Simbiat Ashabi Foundation, we are looking forward to all that 2025 has in store.

Reflecting on 2024, we are proud of the milestones we reached and the successes we celebrated. As we step into 2025, our dedication to supporting women in our community remains stronger than ever, and we can't wait to see what the year brings.

Since 2020, Simbiat Ashabi Foundation has been dedicated to uplifting and empowering women through essential services, skills & training, supporting widows and providing educational opportunities for girls. Thanks to the unwavering support of Friends, Colleagues and Organisations. We continue to make a difference and expand our reach and impact the lives of many women and girls in need.

RECENT ACTIVITIES & IMPACT

Food Distribution Program-During Ramadan, we provided essential food supplies to over 200 women and their families. Ensuring that no one in our community goes hungry. Your donations have helped us bring hope and nourishment to those in need.

Supporting Widows in the Community-Understanding the unique challenges widows face, we launched a support initiative offering financial aid, and emotional support. This program aims to help widows regain financial independence and rebuild their lives. We supported 2 different widow Organisations with more than 200 in total.

Health & Well-being Awareness- We hosted a maternal health and mental wellness workshop, ensuring women have access to healthcare resources and emotional support.

Christmas Food Bank-We continued our mission to fight hunger in the community. Our volunteers handed out cooked food to children, and adults during the Christmas period, a period that family's needs are essential.

UPCOMING EVENTS:

Women's Empowerment Conference

A day of learning, networking, and inspiration! Join us as we bring together industry leaders and entrepreneurs to discuss opportunities for women.

Next Food Distribution Drive

We continue our mission to fight hunger in the community. Volunteers and donors are encouraged to support this initiative, ensuring families in need receive essential supplies,

Community Outreach & Support

In addition to food distribution, we continue to provide clothing, hygiene products, and other essentials to vulnerable women. This year we want to concentrate on pregnant women.

Entrepreneurship & Skills Training.

Our vocational training programs continue to empower women with skills in tailoring, catering, and small business management.

Many of our trainees, including young widows will be empowered to start a small business with our support.

Scholarship Program

This year, we will be opening applications for our first round of **SCHOLARSHIP SCHEME FOR GIRLS**. Education is a powerful tool, and we are committed to ensuring young girls have the opportunity to learn and succeed. We intend to award scholarships to underprivileged backgrounds, ensuring they have access to quality education.

HOW YOU CAN HELP:

Spread the Word- Follow us on our social media, share our mission and help us reach more people in need.

Thank you for being part of this journey. Together, we are empowering women, supporting widows and educating the next generation of girls.

With gratitude!
